

Philly CoderDojo

Attendee Agreement

All youth, parents/guardians and volunteers at our events are required to agree with the following terms. Organizers will enforce these rules throughout our events. We are expecting cooperation from all participants to help ensuring a safe environment for everybody.

Participants violating these rules may be expelled from the event and future events at the discretion of the event organizers. Overview: Be cool.

Registration: Signing up to attend events beforehand is mandatory. This is to ensure safety and abide by venue capacity regulations.

If you do not have a registration we reserve the right to not admit you. We sincerely wish to accommodate everyone but operate on a first come first serve registration basis.

Privacy > Safety: Youth under the age of 12 must be accompanied at all times by a parent/guardian. Do not leave your child/charge unattended. We suggest that parents stay in the event space and are welcome to not participate (but always have the option to).

Venue > Clean up: We rely on hosting our events for free at pro bono spaces. Please be courteous and clean-up after yourself and encourage others to do the same.

Venue > Equipment: Please be mindful of the equipment graciously lent to us for events. Especially our loaner laptops so that they can be used by future coders!

Venue > Laptops: Laptops are required at all events unless otherwise specified. Please bring laptops with power cords and working wireless Internet adaptors.

Code of Conduct: We value the participation of each mentor of the Philly CoderDojo community and want all attendees to have an enjoyable and fulfilling experience. All mentors are expected to show respect and courtesy to other attendees throughout our events.

Short Version: Philly CoderDojo is dedicated to providing a harassment-free experience for everyone, regardless of gender, sexual orientation, disability, physical appearance, body size, race, or religion. We do not tolerate harassment of event participants in any form. All communication should be appropriate for a professional audience including people of many different backgrounds. Sexual language and imagery is not appropriate for any event. Be kind to others.
